SASS	JSON	PostgreSQL
Git	Github	Django
Citrix	SAP	Microsoft Office

ACHIEVEMENTS

» Won **7 Platinum Performer awards** for revenue and contribution growth at Goodwill Industries.

» Strategically **reduced expenditures** by lowering the cost of supplies and reducing on the job injuries in all of my professional roles.

» Learned to code with **14 different languages** in a 3-month rigorous bootcamp environment.

EXPERIENCE

General Assembly, Remote — *Student*
July 2020 - October 2020

» Three-month, 500-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies.

» Composed a portfolio of individually and collaboratively developed in-class projects, including:

  › **Get Hired**: A job search tracker built with ReactJS and NodeJS that allows users to manage their application process for any given posting and maintain a collective record.

  › **Line Guide**: A collaborative project built with Django and Python that utilizes the Yelp API. This app allows users to add wait times for any business with a Yelp listing and calculates its average wait time.

  › **Drink-Machine**: A cocktail recipe website built using NodeJS and ExpressJS utilizing the CocktailDB API. This app allows users to post reviews on existing recipes as well as upload their own unique creations.

Goodwill Industries, Denver, CO & Atlanta, GA — *Store Manager*
October 2013 - July 2020

» Built and deployed an employee scheduling template using Excel based on payroll to all retail locations company wide.

» Organized and led various training sessions across multiple management meetings.

» Managed a team of 60+ employees with diverse individual needs to accomplish company goals in retention, sales and customer satisfaction.

» Reviewed operational records and reports to develop projections of all aspects of the business.

» Promoted from Assistant Manager to Store Manager within first 2 years of employment.

Target Corporation, Atlanta, GA — *Senior Team Lead*
  September 2004 - October 2013
  » Led a team of 14 merchandisers and price changers that consistently exceeded company goals.
  » Planned weekly and monthly department transitions to minimize customer disruption while maximizing productivity.
  » Ensured all pricing was current and correct and all signage was displayed as per company expectations.

EDUCATION

Auburn University of Montgomery, Alabama — *Information Sciences*
Completed 48 credits towards BA 2004 — 2007

Brewbaker Technology Magnet High School — *Information Technology*
HS Diploma - 2004
